

Cadillac Country Club
2018 Men's Member Guest
August 2-4, 2018

Attached you will find the entry form for the 2018 CCC Men's Member Guest event. If you have never played in this signature event, please consider making it happen this year.

The Committee has carefully reviewed the expenses that the Club incurs for this event and has tried to price the event accordingly. While the entry has been priced in an "Ala Carte" fashion, we encourage you to participate fully in all the events as they are what helps to make the Member Guest a uniquely fun experience.

As always, the Friday night Derby will be a highlight that should not be missed, and we will continue with our newest event, the Reverse Derby, on Saturday prior to the awards dinner. To qualify for the Reverse Derby, you will need to sign up and have a handicap of 15 or higher. Contestants for both Derby events will qualify based on their Thursday practice round score. The Reverse Derby will be cancelled if time and weather are a factor.

We will also have our famous FREE Putting Contest and Tee Gifts at no additional charge!

On another note...we still miss our "senior" members! This year will again be offering a "Super Senior" Flight (70 and over) that will play fewer holes and use a different format. We have heard in the past that 63 holes in three days is just too much for these long-time Club members. We miss you and want you back!

This year we will be offering a meal option for Friday night. Please keep in mind that you may be bringing extra guests for the Derby, so plan accordingly!

Important Dates to Remember:

- ✓ **May 1:** Entry forms will be accepted from Golfing Members
- ✓ **July 1:** Entry forms will be accepted from Social Members if we have not reached the 60-team limit. Social Members will pay an additional \$81.00 in greens fees to enter the event
- ✓ **July 13:** Entry window closes
- ✓ **Volunteers** will be needed to help this event run smoothly, please contact Pro Shop if you are interested in helping during the event.
- ✓ **August 2-4:** Member Guest Event at the Cadillac Country Club
