From the Board: *The Board would like to take this opportunity to say WELCOME BACK! We are excited to be starting the 2018 golf season and hope it is filled with fun for all of you. The Board has been working diligently over the winter months to develop a plan moving forward that will put the Club into a positive financial position. You will be receiving information shortly regarding the proposed budget for 2018 as well as your proxy card for the vote. Please remember that it is very important that you return your proxy prior to the meeting scheduled for May 30—preferably by May 23.*

Mike and his crew have been working hard to ensure that the course is in the best shape possible for your golfing enjoyment. We have purchased a new rough mower to go along with our greens mower from last year! You will notice that the buckets and supports have been removed from the new trees and the course is looking great. We are also in the process of installing a new well for the Clubhouse, so please excuse the mess that may be present while we are drilling. Another improvement that will be made is a retaining system for the fuel tanks near the maintenance building.

Take a minute to stop into the Pro Shop and visit with Jim, he is back from sunny Florida and ready to roll here in Michigan. Jim has been busy unpacking stock and is always willing to take special orders from anyone that has a specific need or desire. Please try to support the Pro Shop with your golfing needs.

As always, the Board is here to represent you...please feel free to contact any of us if you have questions or suggestions; we are here for you!

John MacLeod(Pres.), Mick Putman(VP), Rich Houk(Treas.), Dan Alto(Sec.), Mark Tanner, Deb Anderson, Carolyn Emerson

Spring is a great time of year to evaluate how we grip the golf club AND the grips on our equipment. Stop in the Pro Shop at your leisure and I will be glad to check out your equipment and golf grip for FREE!!! No obligation to buy anything! I will be glad to offer an opinion of your hand placement for better shot-making, as well as evaluating the texture and size of your current grips. There is currently a selection of grips available for purchase and installation. If the proper grip is not in my inventory I will do my best to fill your needs through a special order in a timely manner. I look forward to more company at the Club soon.

—Jim Boyle

 \$15.00 for dinner and tastings only

Call the Club to sign up

Hosted by the Ladies Association

Ladies Events

Every Tuesday is Ladies Day...Plan on joining this fabulous group of women for some casual golf. No partner is needed and everyone is welcome. Tee off starts at 10:00 AM.

The Ladies also are responsible for the lovely flowers that adorn our tee boxes and the Clubhouse area. They are always looking for more members with green thumbs or just a willingness to water and weed to help out.

Herbie's corner

I think it's safe to say that we are all frustrated and running short on patience waiting for Mother Nature to give us some of those great spring days. My staff and I have stayed busy servicing equipment, painting tee blocks and stakes and even burning some of the brush behind 17 green. We are anxious for the weather to break so we can get the course ready for play. Hoping that this will be happening soon, looking forward to seeing all of you on the course.

—Mike Herbst

Leagues...

League Sign Up Sheets are in the Pro-Shop for all Men's and Women's summer golf leagues. Don't pass up these opportunities to get together on a weekly basis with other Club members. Leagues are a great way to meet new members and to make sure you get out and use the course every week.

Early Men's Tuesday
Late Men's Tuesday
Ladies Wednesday Evening
Ladies Thursday Morning

Junior Golf...

The summer months are just around the corner and it is time to make plans for golf. The Cadillac Country Club will be teeing off its weekly junior program June 13, 2018. The program takes place on eight (8) Wednesday's over the course of the summer. Each week will focus on a fundamental of golf followed by the opportunity to play a round at the Country Club. An application with details on the program may be found on our website on the Membership Tab. The program is free to children of members, \$50 for grandchildren of members and \$100 for non-members. We look forward to seeing a lot of enthusiastic linksters!

Men's Member Guest...

Member Guest Entry Forms are now available. Entries will again be limited to the first 60 teams for the Premier event at the Cadillac Country Club. The ever popular "Derby" is scheduled for Friday evening and the new "Reverse Derby" will take place Saturday prior to the awards dinner! Be sure to set aside the first weekend in August to attend this very special event.

Member Directories to be published soon! Please make sure your dues have been paid and your contact information is correct. Please send any updated information to: office@cadillaccountryclub.us
