In the Social Member application we will capture all the information we need in order to set the Social Member up with a house charge and their \$100.00 credit to be used for food and beverage during the season. All Social Members will be required to have a credit card on file. The club will process all Social applications and mail each new Social Member their new charge / Member number within **7 days** of receiving their application.

Each Social Member will receive a punch card for their 4 – 18 hole rounds of golf (see attached) these rounds of golf are only good for the current golf season.

A Social Member may only purchase one Social Membership per year. If a Social Member chooses to become a full Member at anytime during the golf season we will credit them \$150.00 towards their full membership.

This Social Membership is to help enhance the Cadillac Country Club experience for all of our members. We need the cash in order to maintain the course for all the current golfers who enjoy playing golf at the Cadillac Country Club and to be able to preserve this place for future generations to enjoy.
